PROFILE

Third-year Data Science undergraduate at SLIIT with hands-on experience in data analysis, visualization, and automation. Successfully developed Power BI dashboards, automated workflows using Power Apps and Power Automate, and worked with SQL for data manipulation during a Data Analyst internship. Proficient in Excel, SQL, and data visualization tools (Power BI, Tableau) with a strong foundation in data cleaning, preprocessing, and statistical analysis. Highly analytical, detail-oriented, and eager to apply data-driven insights to solve business challenges in an IT/software environment.

PROFESSIONAL EXPERIENCE

Data Analyst Intern　　　　　　　　　　　　　　　　　　**Aug 2024 – Feb 2025**

South Asia Textiles, a subsidiary of Hayleys Fabric PLC

- Hands-on experience with Power BI for developing dashboards.
- Proficient in using SharePoint and Power Apps for system development.
- Skilled in leveraging Power Automate for process automation.

TECHNICAL SKILLS

Power BI	SQL	Excel
Powerapps	Python	Aws/Azure
Power automate	R Programming	Git

EDUCATION

BSc (Hons) in Information Technology　　　　　　　　　**Sep 2022 - Present**
Specialising in Data Science

Sri Lanka Institute of Information Technology (SLIIT)

G.C.E. Advanced Level Examination　　　　　　　　　　**Aug 2020**

Physical Stream - Shariputhra Secondary College ,Matara

ACADEMIC PROJECTS

- **Music Recommendation system:** Python, Anaconda(Jupiter NoteBook)
- **AutoMobile Loan Prediction System:** Python, Anaconda(Jupiter NoteBook)
- **Tourism Management System:** MERN stack
- **Note Task Management Application:** Android Studio, Kotlin, and SQLite.

ADDITIONAL INFORMATION

- **Languages:** English, Sinhala(Native)
- **Certifications:** AI/ML Engineer - Stage 1, AWS Academy Cloud Foundations
